 - a. Cookie Platters for Teachers:
 1. Christmas is on a Wednesday this year; we hope to deliver the cookies on Monday the December 16.
 2. The plans are to circulate a cookie sign-up sheet throughout the congregation beginning on Sunday November 17 asking for names and the number of cookies each person will contribute. Reminders will be announced during church and we will be calling the those who have not signed up after the first couple weeks of signup times to donate 1 or 2 dozen cookies. We are asking them to bring the cookies either on Sunday, December 15 or Monday, December 16 by 9:00a.
 3. Platters will be put together on Monday morning; and depending upon the number of cookies we have, we plan on distributing platters to the schools, the police department, and the County Courthouse the afternoon of December 16.
 4. We need to check available platters at the church from last year. The largest plastic platters Dollar Tree presently has are 14" platters. We will be needing two sizes.
7. Meeting Adjourned.
